

ARCHERS NOTICE!

www.bowsafe.com

DON'T FORGET YOUR PROTECTIVE GEAR

✓ **HAND GUARD**

The use of a **HAND GUARD** can dramatically reduce the risk of misfired arrows penetrating or hitting your hand.

✓ **FULL BODY HARNESS**

The use of a **FULL BODY HARNESS** can decrease the risk of falling from a tree stand.

✓ **ARM GUARD**

Using an **ARM GUARD** can decrease the risk of damaging your forearm, by protecting skin, muscle and tissue from repeat contact by the bowstring or misfired arrows.
